Eligibility requirements
The Teacher-Scholar program is open to middle and high school science teachers currently employed by any public, independent, or parochial school in New York City. Teachers must have at least two years of experience teaching by the start of the Teacher-Scholar program. Applicants must be a U.S. citizen or resident alien. Up to 15 high school teachers and 10 middle school teachers will be accepted to the program for the 2016-2017 year.

Applications are due by May 31, 2016

Application details
Completed applications for the SNF Teacher-Scholar Program contain the following:

1. Application form
The application is available online: new applicants and returning teachers. Returning teachers need only fill out the application form; no further steps are necessary to apply.

The application form consists of three parts:
   a. personal and professional information
   b. essays (listed on the first page of the applications for composition purposes)
   c. interview availability

2. Resume
Resumes should be mailed or emailed to the contact information listed below.

3. Letter of recommendation
One letter of recommendation should be supplied by an individual who knows the applicant professionally. Letters must be received by June 3.

The letter of recommendation and resume can be emailed to zuckermanoutreach@columbia.edu or mailed to:
   Brain Insight Teacher-Scholar program, Zuckerman Institute
   615 West 131st Street, 6th floor
   New York, NY 10027

Candidates will be evaluated after a completed application and resume are received. Applications will be reviewed on a rolling basis, and interview scheduling will be first come, first served. Qualified applicants will receive interview invitations with further instructions.
